

SUGARLITE ADDS FOREIGN CANDIES!

January 8, 2020

FOREIGN CANDIES HAVE BEEN ADDED TO THE SUGARLITE STORE!

SugarLite now has foreign candies! Our company departments have been doing research and working hard on making this happen. We have candies from North & South America, Europe, Asia.

Our administration department has been helping on figuring out the unit price of all the new candies. Accounting and finance department helped figuring out the product prices and doing statistics. Our marketing department put the foreign candies on our website.

The CEO of SugarLite, Adam Zaidan, says "Just like our candies based in the US, we have healthy options from all around the world.

TRADE SHOW PLANNING!

Our company has been planning for the trade show on February 4, 2020. Our departments human resources has been working on business cards and id cards for the trade show. Graphic design department has been designing t-shirts and designing a brochure.

A group of creative people from our company has been planning on how our table will be designed with decorations & set up at the trade show.
